ReOpening Plans Reconsideration

Consideration to move to distance learning to address health and safety concerns of staff and community. Based on concerns regarding staff reporting to work and community concerns regarding students reporting back to school in-person, the proposal to move to Innovations Fully Distance delivery of instruction through October 2nd was made.

Governing Board agreed to support the teacher team decision to go to 100% Distance Learning until the October 2nd, Fall Break benchmark previously established as a re-evaluation period.

Motion: to support the teacher team decision to go 100% Distance Learning until at least October 2, 2020 at which time a re-evaluation will be made to determine next steps in school instructional delivery.
